October 16th 2022

The Glenbrook Vintage Railway is celebrating its 100th Anniversary,

This event is celebrating the arrival of the railway to Waiuku in 1922

The HCC NZ and VCC have been invited to the re-enactment of the event with our vehicles as part of a public display. It is anticipated that the town will become a celebration event of the period so a good reason to dress for the occasion. Details of where and when to be advised later
