Our group will leave the Sound shell at 11.30am. The faster cars will have a 1 hour approx. run and the slower cars a more direct route to the lunch spot. This will be at the Puketapu Hotel. Buy your lunch there. Will need an early indication of numbers so we can book. We will organise a tail end Charlie with trailer for the Veterans this day.

The traditional dinner at the HBVCC clubrooms may be relocated to a large marquee on the Marine Parade next to the War Memorial. Limited to 200. Fully catered. Full bar service. Fashion Parade and prizes. We hope to have Bertie there as our MC. Location and price per head to be confirmed.

**Friday 19<sup>th</sup> February 2021**

HBVCC main rally starting at clubrooms. Special routes for the Veterans. Likely ending up at a nice picnic lunch venue. We will organise a tail end Charlie with trailer for the Veterans this day. At twilight we hope to have the parade of lights for those cars that qualify. Friday evening in town to mix and mingle. Park up the cars on Marine Parade. Warbirds flyover.

**Saturday 20<sup>th</sup> February 2021**

Morning tea and car show at HBVCC clubrooms. Fashion judging and Popular Choice voting. At about 11am the Veterans will make their way into town to line up for the grand parade (starts at 12.30 sharp but Veterans all to be in place by noon). After the parade, depending on numbers, the Veterans will be parked inside the sound shell together. If we have too many there is an adjacent area we can hold for the excess. HBVCC will be giving rides for donations from 1.30pm to 4 pm. Assistance from some of the Veteran group, even for a half hour, will be appreciated.

**Saturday evening** Is free to mix and mingle or attend other events.

**Sunday 21<sup>st</sup> February 2021**

Breakfast and entertainment at the HBVCC clubrooms. It would be great if some of the older veterans could give rides, to fellow entrants, around the reserve area. Head into town and check out the trolley derby and the Gatsby picnic. HBVCC will be giving rides for donations from 1.30pm to 4 pm. Assistance from some of the Veteran group, even for a half hour, will be appreciated.
