

SPRING TOUR 2022 – WHITIANGA

November 11th to 13th

It may be a year late with a couple of false starts but new dates have been set and the three day Spring Tour to Whitianga is back on the list.

We encourage advanced bookings as previous and look forward to some special motoring. This event is open to all vehicles but the older ones are always encouraged.

Entry forms to follow but that does not stop booking accommodation:

The "Aotea Lodge" is the nominated tour accommodation for the Saturday and Sunday.
